IHOR HAVRYLIAK

Full Stack Developer

SUMMARY

I am a full-stack developer with 2 years of commercial experience. I have experience working with projects: Agrotechnics, Authorization. I developed projects: Osnova, DashBoard Admin, Ouly, DoWork, Citizen Science, and Atomic.

Agrotechnics: addresses the challenge of recording and organizing the elevator queue. Project Authorization: tackles the storage of user data and provides access to other services. DoWork: addresses the challenges of job search and placement. Atomic: addresses the need for convenient configuration and car ordering.
